Link To The Future

Left to Right: Junior Class Agents, Sandra Durrenburger and Valerie Lovell; Freshman Class Agents Lee Liedecke and Cathy Fuller; Sophomore Class Agents David Rex and Angela Straface. Not Pictured: Senior Class Agents Daniel Zorn and Sarah Faulkner.

More than 28 percent of Southwestern's student body participated in *Link To The Future*, a week-long student campaign that raised $655 for a need-based scholarship to be awarded in the Fall of 1988. The funds contributed by students will be matched 4:1 for Southwestern's permanent endowment by the Brown Challenge, a matching gifts program generously provided by the Brown Foundation of Houston.

The Freshman, Sophomore, Junior and Senior classes competed against one another to build the longest chain by selling $1 links. The campaign was organized and implemented by two Class Agents and a committee of volunteers from each class. Almost 35 percent of the Sophomore class participated, morethan 22 percent of the Junior class participated and 9 percent of the Senior class contributed to the campaign. The Freshmen won the competition with more than 39 percent of their class participating in the event.

Thank you, Freshmen!

1988 Intramural Track and Field

Champions: Women - GDI, Men - Men's Basketball Team.

In the Women's Division of the Southwestern University Intramural Track and Field Meet, three teams cornered all the points: GDI taking first place honors with 60 points; Inmates, second place with 37 points and the Wild Wenches, third place with 8 points.

There were only two records broken in the entire meet, both by women; one, the 400 Meter Run performance by Janet Henderson, GDI, when she ran the 400 meters in 1:07.10, breaking the record set by Alfie Vela in 1980, which was 1:07.82; and two, Dani Gazarek ran a :29.1 seconds in the 200 meter dash breaking the old mark of :29.61 set by Teri Parvin in 1987. Dani Gazarek's run was amazing in that she ran the race uncontested.

The Men's Division winner wasn't decided until the final race, the 1600 Meter Relay. The Men's Basketball Team won the 1600 meter relay giving them enough points, 53, to win the meet. PKA was a close second with 50 points. Third place went to PDT with 39 points. KA took fourth with 21 points. Faculty was fifth gathering 5 points and Independents picked up 4 points for sixth place.

BROWN SYMPOSIUM AND SPECIAL GUESTS

Beginning February tenth, Southwestern University, through the Brown Foundation, sponsored the 10th annual Brown Symposium. This year's highly successful gathering centered on Africa and the Afro-American experience. Dr. Weldon Crowley, history professor and chair for history, coordinated the three day event.

The symposium featured Alex Haley as the keynote speaker, the well-known author of Roots and The Autobiography of Malcolm X.

Other particpants in the Brown Symposium included Dr. John Biggers, an artist whose works were on diplay in the Fine Arts Building gallery, author Paula Giddings, linguist and anthropologist Ivan Van Sertima, and world-famous paleontologist Dr. Donald Johanson.

The focus of the Symposium was that we as mankind, through our study of history, or, as Dr. Crowley terms it, "a venture into self-understanding," begin to rethink our "roots." excerpts from "Symposium Calls for Refocus on Studies," by Kenny Simon

"1964" recreates the concerts of the 1960's Beatles for audiences throughout the U.S. and Canada and attribute their great success to detail, from the accents and mannerisms to the axact type of instruments and equipment. But what is really amazing is their sound, especially the vocal harmonies of John and Paul. They have been called uncanny, incredible and mesmerizing.

PHONATHON AND SKI TRIP

It was another record breaking year for the National Alumni Phonathon in 1987.

Almost 100 student volunteers helped raise more than $110,000 in pledges from aluni to be matched at least dollar for dollar by the Brown Challenge - a matching gifts program generously provided by the Brown Foundation of Houston.

The five top callers - Matt Dean, Peter Soria, David Rex, Lee Liedecke, and Angela Straface - were treated to four fun days of skiing in Breckenridge, Colorado. It was a trip highlighted by nine inches of new snow, skiing lessons, intense games of Pictionary, several delicious meals, and nightly trolley rides around a storybook town still glittering with Christmas lights and accented by larger-than-life ice sculptures. They were accompanied by Gwen Scott, Director of Annual Giving.

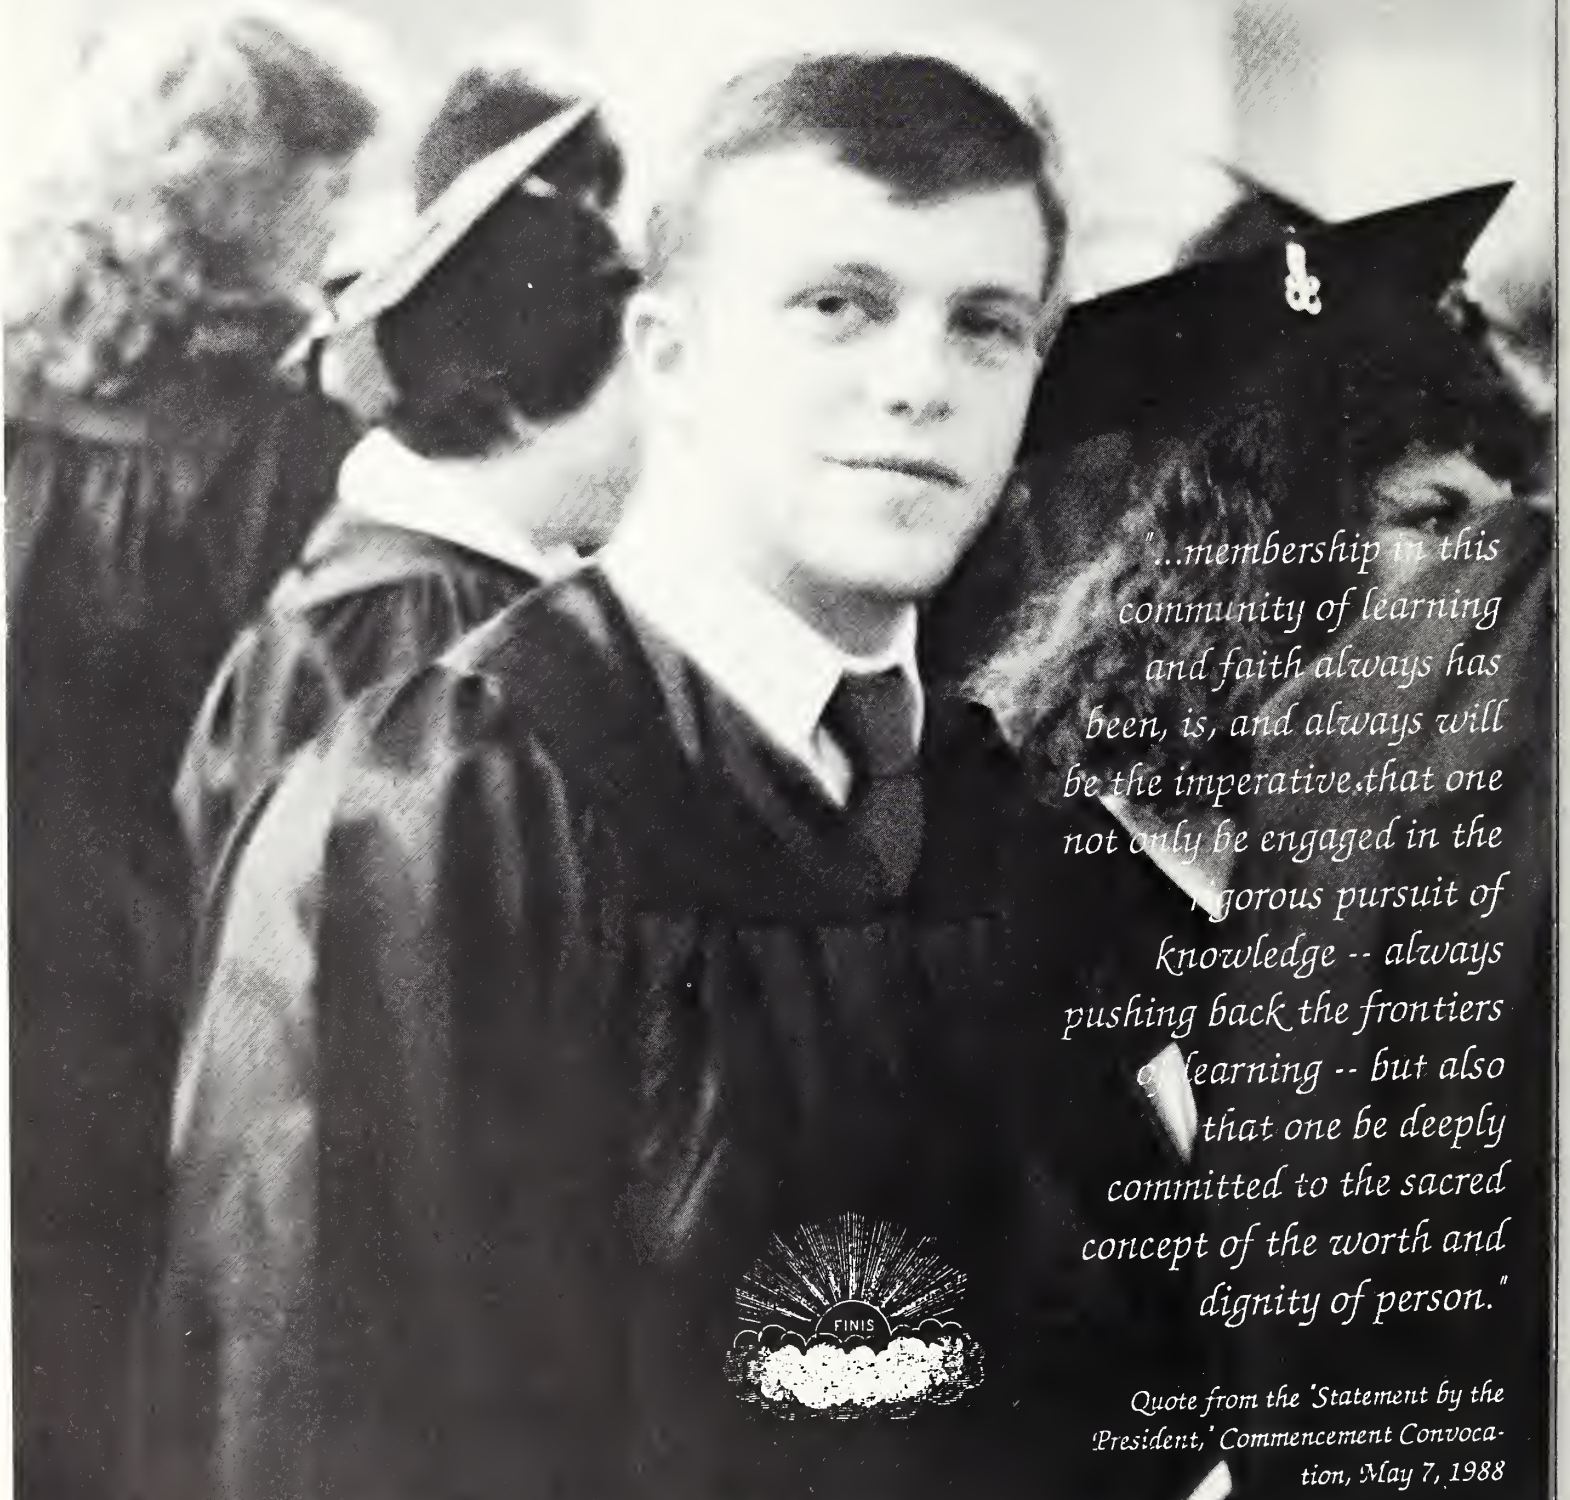
Alma Mater

Hail, Alma Mater
Glory to thy name,
Loyal voices blend to sing
Thy everlasting fame.

Hail to Southwestern
Ever thine are we,
Hearts of youth ever sing thy truth
And be faithful unto thee.



"...membership in this community of learning and faith always has been, is, and always will be the imperative that one not only be engaged in the rigorous pursuit of knowledge -- always pushing back the frontiers of learning -- but also that one be deeply committed to the sacred concept of the worth and dignity of person."
